Alumni Connections - September 2014

Director's Greeting

I hope you are enjoying these last weeks of summer. New York Medical College is full of activity as the new academic year gets underway. We hope you find these highlights interesting and useful. Please continue to keep us current on what's new in your life and we'll do our part in keeping you up to date on the great things that are happening at New York Medical College. With warmest wishes,
Diane Krusko, M.B.A.
Director, University Alumni Relations

Alumni Milestones

We would love to share your most recent news and accomplishments in our next issue of the *Chironian*. If you have any professional accomplishments or developments, published a book, or have any family news to share we would love to hear from you. Please [click here](#) to share your updates with us to be included in our class notes.

Save the Date for the Founder's Dinner: October 26

The Founder's Dinner will be held on Sunday, October 26 at 5:30 p.m. at the Ritz-Carlton in White Plains, N.Y. The evening will pay tribute to Joanne Kurtzberg, M.D. '76, who will receive the William Cullen Bryant Award for distinguished leadership; Richard Stone, M.D. '68, who will be honored with the Distinguished Service Award; and Andrew Ordon, M.D., G.M.E. '85, recipient of the Jackson E. Spears Community Service Award. Children's & Women's Physicians of Westchester, LLP, is this year's presenting sponsor of the black-tie fund raising gala.

NYMC Welcomes School of Medicine Class of 2018

It takes a village to raise a child and it takes the whole New York Medical College community to prepare for and welcome a new class of medical students. From the Chancellor and Deans to the Offices of Admissions, Student Affairs, Housing, Bursar, Registrar, Financial Aid, Health Services, Facilities, Security and the Health Sciences Library, to name a few, all were on hand to welcome the newest cohort of 196 members of the Class of 2018.

GSBMS Hosts Third Annual STAR Program

When they returned to school this year, thirty-two high school and undergraduate students had plenty to tell their friends about what they did during their summer vacation—they completed the Graduate School of Basic Medical Sciences' Summer Trainees in Academic Research (STAR) program. Participants learned basic laboratory practices, laboratory safety procedures and notebook keeping and undertook a research project under the mentorship of one of 19 NYMC faculty members.
