Ode to the Optic Disc

Jennifer Lai

Optic disc, I thought I would never see you again!
You have graced me with your presence once before,
Only to leave me searching fruitlessly for your return.
I had started to think that our first encounter would be our last.
But alas! I found you today and squealed in pure delight!
With nerve and veins and arteries you glistened like a diamond lake.
Oh how I wanted to stay in that heavenly orb forever
