IN MEMORIAM

LANE, IRVIN J., Ossining, N. Y., was born in North Clove, Dutchess County, N. Y. on April 24th, 1861. He attended Fishkill Village High School, and received his M.D. degree from the New York Homeopathic Medical College and Flower Hospital, in 1883. Dr. Lane was an ardent Homeopath, and a member of a number of Homeopathic Societies. He practiced for fifty years in Ossining, New York. He was a director of the Westchester County Savings and Loan Association since its incorporation in 1920. Dr. Lane died at the Earle Nursing Home, Middletown, N. Y. on October 27th, 1953, at the age of 92. He is survived by three sons and two daughters.

ST. JOHN, BYRON DOUGLAS, M.D., Port Washington, L. I., N. Y., was born in Walton, New York on April 18th, 1895. He graduated from Walton High School; The Mercersburg Academy, and received his M.D. degree from the New York Medical College in 1921. He interned at Hahnemann Hospital, New York, N. Y., 1920-1922, and then took post-graduate study in Cardiology and Internal Medicine, which became his specialty. Dr. St. John was a Diplomate of the American Board of Internal Medicine. His hospital connections were with Meadowbrook Hospital, Nassau Hospital, and Flower and Fifth Avenue Hospitals. He was a member of the Meissen Club; American Medical Association, and the Nassau County Medical Society. Dr. St. John died suddenly of a heart attack on December 15th, 1953 at the age of 58. Surviving are his widow, Mrs. Mildred E. St. John, and one daughter, Jane R. St. John.

PISCIOTTA, DR. JOSEPH, Brooklyn, N. Y. was born in Italy on August 15th, 1887, and came to this country at the age of ten. He was graduated from Boys' High School in Brooklyn, and received his M.D. degree from Flower in 1914. Dr. Pisciotta practiced Pediatrics for 32 years in Bensonhurst, until he became ill in 1950. He was on the staff of Post Graduate Hospital, New York, for 19 years; on the staff of St. Mary's Hospital, Brooklyn, for 9 years, and an attending pediatrician at Norwegian Hospital up to the time of his death. During World War II he served with the Selective Services Board for three years, receiving Honorable recognition from the late Franklin D. Roosevelt. Dr. Pisciotta passed away at Norwegian Hospital on November 19th, 1953, at the age of 66 years. Surviving are his widow

Paula A., a daughter, Tionette (Pisciotta) Gordon, R.N., also a graduate of Flower and Fifth Avenue Hospitals, and a son, Lewis A., an aeronautical engineer, who is at present with the armed services stationed at Cocoa, Florida.

MACADAM, DR. EDWARD WALLACE, Bronx, N. Y., was born on September 26th, 1874. He received his M.D. degree from the New York Homeopathic Medical College in 1907, and served his internship at Metropolitan Hospital, where he became chief of staff. He was a specialist in Internal Medicine, and was Associate Professor of Medicine, and Associate Attending Physician at the New York Medical College, Flower and Fifth Avenue Hospitals, where he served on the faculty for more than forty years. Dr. MacAdam was a member of the New York County Homeopathic Medical Society, and a past president of the New York State Homeopathic Society. He was also a member of the Dunham Club, Alpha Sigma Fraternity, Alpha Delta Phi Fraternity, Pathological Society, and The American Institute of Homeopathy, where he served as Treasurer for many years, and was editor of the Journal of Homeopathy for the years of 1945 and 1946. Dr. MacAdam died at his home on November 16th, 1953, at the age of 79. Surviving are his wife, Mrs. Theresa Forsstrom MacAdam, and two daughters, Mrs. Margaret A. Cort, and Miss Barbara G. MacAdam.

MOORE, SAMUEL BARLOW, A.B., M.D., Class of 1901, died of a heart attack Sunday, January 17, 1954 while sitting in his car in front of his beloved Church, St. Thomas More, 89th Street between Madison and Park, New York City.

Sam entered College in September 1897 a tall, rosy cheeked lovable lad. Through all his life he has been the same. Member and active officer in Alpha Sigma Alpha Club and A.K.K. fraternity, Dunham Club, Meissen-Unanimous Club, Alumnus Trustee of the College, Consulting Physician at Metropolitan and Flower Hospitals, Member of the New York Academy of Medicine and many other Societies are just a few of his active associations. Sam was born in Owego, New York, graduated from Manhattan College in 1897 and in our College in 1901. His son also a graduate, Samuel Barlow Moore, Jr., was his associate. Also surviving are his wife, Mrs. Agnes Rooney Moore, another son, Robert E. Moore and two daughters, Mrs. Marian Beattie of Detroit and Mrs. Frances Callan of Great Neck.

Friend—Scholar—Beloved Physician!

KAPNER, DR. ZODAK, New York, N. Y., received his M.D. degree from the New York Homeopathic Medical College and Flower Hospital in 1917. He was affiliated with the Park East and Beth David hospitals. Dr. Kapner died on October 20, 1953 at the age of 71.

DOWNING, PERLEY EDWIN, Trenton, N. J., received his M.D. degree from the New York Homeopathic Medical College and Flower Hospital in 1914. He was senior resident physician at the New York Jersey State Hospital. Dr.

Downing died in Tremont, Penna., on July 12, 1953, at the age of 67, of cerebral thrombosis.

HANSELL, DR. MAURICE, New York, N. Y. The sudden death of doctor Maurice Hansell, on September 30th, 1953, was a source of sorrow to all his friends and associates in Flower and Fifth Avenue Hospitals. He will be particularly missed by his colleagues in the Anesthesia Department, where for over ten years he attended to the requirements of the maternity floors.

PERSONALS

Please send personal items to the News Editor, 1 East 105th Street, N.Y.C. 29.

With the institution of a new policy, a permanent Class Secretary will be chosen by the graduating senior class beginning with the class of 1954. The name and address of the Class Secretary will be printed in the Chironian, in the Personal Column.

It will be the duty of the Class Secretary to keep in touch with his classmates, to report regularly any class news to the editor, and in general, to act as liaison officer with the College and with the Alumni Association.

The senior class presidents of the previous years are invited to contact the editor with the purpose of designating Class Secretaries for their respective classes. It is important that the Class Secretary be geographically located in the metropolitan area.

1929

Permanent Class Secretary

Robert R. Princer, Brooklyn, N.Y., wrote the following letter to all the members of the class of 1929.

Dear Dr. _____

Believe it or not, next June will be our twenty-fifth anniversary—I mean, of course, the anniversary of our graduation from Flower. I sincerely hope that the years have treated you kindly and that you are in the best of health.

It was indeed a pleasant surprise for me to hear from Dr. Halley Friederwitzer and from Dr. Clinton Calvert and to learn that they were interested in a Class Reunion. Personally, I would be thrilled to

get together with my classmates after all these years. Won't you please write or call me as soon as possible so that a meeting time and place can be arranged? I think it would be most convenient for everyone if we met at Flower Fifth Avenue.

I am looking forward with great anticipation to our reunion. I am sure it will be a lot of fun to reminisce and to bring each other up to date on our lives since '29.

1944

Walter I. Gryce writes the following: "This is to advise you of a recent change in location, having recently moved from Boston, Mass. to Danbury, Conn., where I plan to establish a practice of general surgery. Several months ago I was informed that I had made a passing grade in the Part I examination of the American Board of Surgery. I am scheduled to take the Part II examination next June in Boston, which I am anxious to have as a part of my past. Many years of study and training have gone into my preparation which is nice to look back upon.

Mrs. Gryce and I were very pleased when I was informed of my recent appointment to the Regular Surgical Staff of the Danbury Hospital which preceded our move. The hospital is a fine institution, well equipped and will be a pleasure to work in. The medical staff is equally praiseworthy, many of whom are well trained. We have a lovely new home and my office, in a professional building, should be ready in a week's time. Danbury, the hat city, is a modern progressive city and I am sure we'll be very happy here. With best wishes to Doctor Fobes and all my classmates from whom I am always happy to hear any news, I am, Sincerely yours, Walter I. Gryce. Address, 302 Main Street, Suite 6, Danbury, Conn."

Nairn D. Knott, Vancouver, B. C., Canada, writes: "I recently received my October, 1953, copy of the Chironian, and as usual was very interested to read the news. I have successfully completed my examinations in Internal Medicine, and have been certified in that specialty by The Royal College of Physicians and Surgeons. Janie and the children (Pixie, age 9½, Buzz, age 8, and Tuffy, age 6) all join me in sending our Seasons Greetings."

Charles Varga writes: "The only news from us in Oregon is that we have been blessed with a third child, a daughter, Anita Michele, since our last note. I enclose also a reprint entitled "Aerosol Trypsin in Respiratory Complications of Bulbar Poliomyelitis." from the September, 1953, American Journal of Diseases of Children."

Raymond T. Wise writes: "Still doing internal medicine here in New Britain, Conn. Recently ran into Johnny Nevins, '44 as he was passing through (This area is his home.) He has been discharged again from the Navy. As recently as last month, I was appointed medical director of New Britain Memorial Hospital. This is a part time job which still

permits practice, etc., and whose main duties involves organization of medical services and teaching program. Family has remained same size since last note (3 boys and wife), although waist line has increased some."

1945

J. Conrad Greenwald writes: "After internship, two years in the Army, and almost six years of residency (the last four of which were in Obs-Gyn. at The Mt. Jules C. Ladenheim sends the following which might be of some interest to the Chironian readers.

The Secretary of the Navy
Washington

The President of the United States takes pleasure in presenting the NAVY AND MARINE CORPS MEDAL to—

LIEUTENANT JULES CALVIN LADENHEIM
MEDICAL CORPS

UNITED STATES NAVAL RESERVE

for service as set forth in the following
CITATION:

"for heroic conduct in saving numerous men from drowning while serving on board the U.S.S. VALCOUR during the collision of that ship with the S.S. THOMAS TRACY off the Virginia Capes on 14 May 1951. Despite the grave danger imposed by burning oil on the surface of the water following the collision, Lieutenant (then Lieutenant, Junior Grade,) Ladenheim unhesitatingly dived into the sea in a bold attempt to rescue his drowning shipmates. Although near exhaustion and repeatedly drifting away from the vessel in the smoke-covered water, he bravely continued to assist the struggling men in their attempts to clamber aboard the life rafts. By his cool courage, perseverance and selfless efforts in behalf of others at the risk of his own life, Lieutenant Ladenheim upheld the highest traditions of the United States Naval Service."

For the President
/s/ Dan A. Kimball
Secretary of the Navy

Joseph T. Pedulla, "Completed my surgical residency at Fordham Hospital in June, 1953. Have entered practice of general surgery at 242 Naples Terrace, Bronx, N. Y. Plan to take first part of American Board examination in March, 1954. Regards to all classmates."

Louis M. Tedone announces his association with The French Clinic, 1170 Marsh Street, San Luis

Obispo, Calif., practice being limited to Pediatrics. He also has been certified by the American Board of Pediatrics. Until he started in practice Dr. Tedone was stationed at Camp Roberts, Calif., along with Peter Laderman, '47, Joseph Sarullo, '41, and John Miller, '50. He would like to hear from old classmates, and also receive the Chironian.

Norman Ackerman,—is stationed at the Valley Forge Army Hospital, Neuropsychiatric Service. Just had fourth child. Will be out of the Army this coming March.

Paul S. Entmacher—"I wish to announce the opening of my office for the practice of Internal Medicine at 15 Canterbury Road, Great Neck, L. I., N. Y."

Adrian F. Persico writes: "Just a note to tell you of our recent addition. On October 8th Alan F. Persico arrived, weighing in at 8 lb. 8 oz. I saw Sid Entmacher and he is planning on coming out on Long Island in Nassau County, along with a growing list of our classmates. I see Jim Heffernan once in a while who is doing OB in a neighboring town."

Mr. and Mrs. Robert N. Pucci, (Dr. Margaret M. Rice, '47) announce the arrival of Michael William, on October 25, 1953, weight 7 lbs., 2¼ ozs.

Ian M. Thompson, Captain, M.C.:—"On July 5th 1953 Uncle Sam invited me to become the head of the Department of Urology at the U.S. Army Hospital, Fort Leonard Wood, Mo., so I eagerly of course—left the Ochsner Clinic staff and the G. U. Department of Tulane University, and joined the army of the Ozarks. Joe Berke '47 is here with me, and of course enjoying it tremendously. We would like to hear from any of The Old War Schule class. Address: Captain Ian M. Thompson, M.C., Med. Det. U.S.A.H. Fort Leonard Wood, Missouri.

William W. Whitten writes: "Since my last report I have completed two years with the Navy. Half of this time was spent doing pediatrics at the Submarine Base in New London, Conn., and the remainder as a Destroyer squadron medical officer. Had a wonderful six months cruise in the Mediterranean and Northern Europe. Am about to take Part 2 of the Pediatric Boards, and shall continue practice in Larchmont, N. Y., in January. Our first child, William Wiley, Jr. arrived while I was overseas (June), and is teaching me a few pointers on practical pediatrics."

1948

Permanent Class Secretary
RFD #1 Bridgeport, Conn.

Charles L. Murdock, R.F.D. #1. Bridgeport, Conn. has agreed to act as permanent alumni secretary for the class of 1948.

Dear George:

I have your letter of October 21, asking that I serve as permanent alumni secretary for the class of 1948.

I always like to contribute to the alumni news and will do so in the future but because I am not too near New York I do not feel I should accept the position of permanent secretary. I do feel that we have a boy who would be excellent for this job; namely, Freddie Tanz, who is specializing in obstetrics and at present maintains his office at the Hospital. He has always done our class secretarial work and I would like to suggest that he be made the permanent secretary. If and when he should

leave or remove himself from New York, I will be glad to re-consider taking over the job.

Sincerely,

C. Lewis Murdock, M.D.

Paul D. Murphy, Captain, USAF., who is located in Okinawa, writes: "Have several items to report. First of all, our second child, by name, Douglas Paul, was born last June 9th. Then, shortly after that, I was shipped overseas by the Air Force, to the Far East, and finally ended up at Okinawa. There was one feature of my journey which was very fortunate and pleasant, namely, that on each stop of my journey I found one or two classmates of mine from Flower. Arnie Turtz and Al Small were at Parks, A.F.B., Bob Solow was at Travis, and Bob Lifton and Ed Bowen were at Tachikawa, Japan, where we landed. Bob Lifton was the only one I was unable to see, since he was in Korea temporarily. Also, I'd like very much to hear from, or see, anyone from Flower who might happen to be here, or passing through. Please send my copies of the Chironian to my new address: Captain Paul D. Murphy, U.S.A.F., (M.C.) #22565A—19th Med. Group, A.P.O. 239, c/o Postmaster, San Francisco, Calif."

Bruce J. Ebbels: "The most recent issue of the Chironian arrived, via New York, the other day, and I found that I was quite far behind on a lot of the more recent goings-on. I was especially pleased to see the architect's sketch and read about the plans for the new Metropolitan Hospital. Too bad the old place has to go, but I'm certain that the new building will be a welcome addition. Incidentally, I noted that you still have me listed as being in the active military service. For the records, I was released in August, 1951, and have been at the McGuire V.A. Hospital in Richmond ever since, completing a residency in Medicine. Also, and again via New York, I received the announcement of the opening of Art Kaplan's office for the practice of medicine in Norfolk, Va., about a month ago. Haven't contacted him yet, but plan to do so in the near future. Finally, I now have two children, Bruce, Jr. and Cynthia, the latter being the most recent arrival in August of this year. Needless to say, everyone concerned is as pleased as punch. Again, enjoyed the latest issue of the Chironian very much, and look forward to future issues. Sincerely, Bruce J. Ebbels."

Arthur S. Kaplan writes: "Appreciated hearing from so many of my classmates on the opening of my office for the practice Internal Medicine, at 505 Wainwright Building, Norfolk, Va. I was gratified to know that so many of you are settled in practice and am sure, doing well. I personally am looking forward to a 1958 re-union. — It will be good to renew old acquaintances."

John J. Siudmak writes: "I was commissioned in the United States Army in July, 1952. After basic training at Fort Sam Houston, Texas, I was assigned to the Surgical Department at Fort George G. Meade, Maryland. Recently I have been promoted to Captain. I have a son, Robert, age 16 months, and am expecting a new arrival in June. My wife Jan and I send regards to all our friends at the school and hospital."

Paul D. Murphy writes: "Would like to report two items concerning myself.

1. Our second child, Douglas Paul, was born on June 9th of this year.

2. In June I finished three years of a very enjoyable and profitable residency in psychiatry at the Langley Porter Clinic in San Francisco. Then I received orders for the Far East, from the Air Force. Am now stationed on Okinawa. My address (to which please send The Chironian) is: Captain Paul D. Murphy, U.S.A.F. (M.C.) #22565A 19th Medical Group, A.P.O. #239, c/o Postmaster, San Francisco, Calif.

1949

Norman Borken—Dr. and Mrs. Norman Borken announce the birth of their third child and first boy, Glenn Russell, on October 19, 1953 at Mt. Sinai Hospital, weight 9 pounds 8 ounces.

Edward H. Ferguson writes: "I returned from Alaska in December, 1952, and was separated from active service with the U.S.A.F. in January, 1953. In February, 1953, I started a residency in Dermatology at the University of Chicago clinics. My wife, Dr. Katherine L. G. Ferguson, class '49, began a residency in Anesthesiology at Research and Educational Hospital of the University of Illinois, in Chicago, on May 1, 1953. Our daughter, Margaret Ann, was 3 years old on October 12, 1953. We were all happy to return to the Z.I. If anyone is passing through Chicago, our present address is: 827 East 60th Street.

Alfred Martin Beyer writes: "I have been released from active military duty. Please forward my issues of the Chironian to 71-44 Harrow Sts., Forest Hills, N. Y."

Marvin A. Chernow advises that he was returned to inactive status in November, 1952, and is now at Yale Medical School, Department of Pathology. Please send the Chironian to 310 Cedar Street, New Haven, 11, Conn.

Sumner I. Goldstein announces the arrival of their first child, Nan Abra, born May 3rd, 1953. Dr. Goldstein also writes: "I was discharged from the Air Force in June, 1953 and am at present a Senior Grade resident in Neuropsychiatry at the Bronx Veterans Administration Hospital. In addition, I am undergoing training for certification in psychoanalytic medicine at the Columbia University Psychoanalytic Clinic for Training and Research."

Stanley J. Haberek writes: "I graduated from New York Medical College on June 8, 1949, completed an internship and year of residency training before being called to active duty with the U.S. Army. During the latter with its accompanying overseas tour of duty I lost contact with the Chironian, and all alumni activities. At present I am completing my residency training, and will be stationary at the new address shown below for several years. I would like to be placed on your mailing list for the Chironian and any other alumni news. Address is:—Dr. Stanley J. Haberek, 5227 8th Road, South,—Arlington, Va."

Shirley Ann Collins: "I have opened an office at 212 Fair Street, Kingston, N. Y., for the practice of Obstetrics and Gynecology."

Robert E. O'Brien is now taking Urology residency at Milwaukee County Hospital, Milwaukee, Wisc. Dr. O'Brien also writes: "we recently saw and were very much interested by a motion picture produced by Dr. Nagamatsu showing a new approach for surgery of the kidney."

Murray Herman writes: "I was discharged from the Air Force in April, 1953. I started, or rather renewed my residency in Medicine, this time at V. A. Hospital Wood, Wisconsin, which is located in Milwaukee."

1950

Permanent Alumni Secretary
148-14 90th Ave., Jamaica, N. Y.

David Plotkin, Jamaica, N. Y., writes "I shall be very happy to accept the position of Permanent Alumni Secretary for the class of 1950. I shall do my best to act as a Liaison between my class and the Alumni Bulletin. Kindly advise me as to what you will want me to do. I am looking forward to hearing from you."

Virginius D. Mattia, Jr. is pleased to announce that he was recently elected to the Board of Directors of Medical Advisory Services, Inc., a medical consulting firm for the pharmaceutical industry. Mattia will retain his present position with Merck and Co. Inc. as Associate Editor of *The Merck Manual*. He recently spent one day at his alma mater conducting a survey for the American Drug Manufacturers Association. He was on a medical sub-committee and he visited several medical schools in this area to evaluate them for possible subsidization or fellowships sponsored by the ADMA. He recently completed a lecture tour which took him to Baltimore, Dallas, Kansas City, Chicago, San Francisco and Los Angeles.

John P. Miller has returned from Korea, and is established in practice at 477 East 19th Street, Costa Mesa, Calif.

1951

Permanent Alumni Secretary
15 Laurel Ave., Mt. Vernon, N. Y.

George M. Massell, Mt. Vernon, N. Y. writes:—Dear Dr. Nagamatsu: I shall be very happy to accept the appointment of Secretary for the Class of '51. As you know, I am presently at Flower taking an Ob-Gyn residency and am therefore in close proximity to our school and its activities. I will do all I can to gather information concerning my classmates, and to relay them to the Alumni Bulletin. If there are any specific instructions or recommendations, please let me know."

Charley Robbins writes: "No news except please change my address to: 7564 Brockton Road, Philadelphia, 31, Penna. (Am with the U.S.P.H.S. in Philadelphia, now.)"

Frank T. Sconzo writes: "Was very pleased to have my parents forward the October issue of *The Chironian* to me. I am now with the 18th Medical Group at Osau, Korea, in the Army, but attached to the Air Force. A classmate, Milton Smith, is also here in Korea, located in Kangnung on the east coast with the Air Force. Would appreciate very much forwarding of the *Chironian* to present address: 1st Lt. Frank T. Sconzo, M.C. 01938667—18th Medical Group, A.P.O. 77, c/o P.M. San Francisco, Calif."

1952

Permanent Class Secretary—Victor Golden
1060 Park Avenue, New York, N. Y.

Victor Goldin wrote the following to Dr. Nagamatsu: "Dear George: I have received your letter of Oct. 21st. I was pleased to note the invitation by you and Dr. Fobes to become permanent alumni secretary (Class 1952). I am happy to accept the position. While I shall be in Europe for the next few months, here are a few news briefs to start with."

Carl Levinson—Has pathology fellowship—Beth Israel Hospital.

Edward Gluck—Wife had a baby—(their first).

She weighed 7 lbs. 7 oz. at birth, now weighs 10 lbs. 14 oz. at 2 months. Dr. Henry Kaplan, graduate of New York Medical College, '44 was the Obstetrician.

ALUMNI FUND

Have you often wished that you could aid some young medical student, and then not know how to do so?

Consider the gift which brings more lasting results than any other, the gift of opportunity. The gift you make when you support the New York Medical College Alumni Fund keeps right on giving throughout a life time. It is a gift which repays itself many times over in greater service to the medical profession and in personal satisfaction for both the giver and the recipient.

Gifts have ranged from \$2,500.00 to \$1.00. They usually come in multiples of \$5.00. As in other years, the average is about \$10.00. But you know best whether you can give and how much. Total to date this year is \$2,226.50.

Get your name on the list, and be among those who helped offer the hand of opportunity.

JULIUS BLANKFEIN, M.D.,
President

Frank L. DeFurio—Telephoned the following poem and followed it with a necktie and a double libation of the Haig Brothers from Scotland at Christmas.

"To Uncle Joe:

On this October day, 5 and 70 years ago,
God on earth did place you,
A life to state, a life immortal to be,
For you are our Uncle Joe.

And the memories of your joyful guidance,
Like a star in heaven shall always shine,
And so, today, we the Knights of the Scalpel
to you do wish, for wish we can, and
wish we will,
That God may hear, and God may grant
many more years,
Of a life so full of happiness and health."

DECEMBER 25, 1953

TO THE KNIGHTS OF THE SCALPEL

A blessed Christmastide and Happy New Year to you!
I say unto you, "All you get out of anything is
what you put into it! My dividends are large, my
cup of returns is overflowing."

Upon my desk there lies a book,
Let's open it and take a look,
Elaine planned this with loving care,
Obtained the cards and placed them there.

The Frontispiece says "Seventy-Five",
Gosh! I'm glad to be alive.
Greetings came from far West lands,
And also from the East Coast sands,
North and South sent in their share,
Look and you will see them there.

A birthday cake did then appear,
Full to the brim with hearty cheer,
We gathered round and ate our fill,
Enjoyed it all and with right good will.
A candid camera snapped the scene,
We wait the proofs with relish keen.

Knights of the Scalpel keep armor bright,
To fight and foe, and carry the light,
'Tis getting late, and I must go,
A MERRY CHRISTMAS

from

"UNCLE JOE"

POST-GRADUATE SURGERY PERSONAL

Walter I. Gryce, '44 announces the opening of his office for the practice of surgery at 302 Main Street, Suite 6, Danbury, Conn. Dr. Gryce has been appointed to the surgical staff of the Danbury Hospital.

Morris W. Greenberg, '31—At the Adelphi Hospital Staff Society meeting, held in Brooklyn, Wednesday, Dec. 9, 1953, Dr. Greenberg spoke on Pre-operative and Postoperative Care; subject was "Surgery of the Colon."

STUDENT LOAN FUND CARNIVAL

The Annual Carnival has assumed with each succeeding year an increasingly more important position in the social calendar of the student body. This year, the ninth such undertaking, "Little Olde New York," commemorated the 300th Anniversary of New York City.

Music for dancing was provided in the Auditorium in the setting of a roof-top garden overlooking the New York skyline at night.

Highlights of the evening were the crowning of the Carnival Queen, and the drawing for the 1953 MG roadster, won by Martin Dinkin, of the Bronx.

A social and financial success, the 1953 Carnival was attended by 1300 or more people, and netted nearly \$10,000 for the Student Loan Fund, topping all previous carnivals.

It was only with the sincere cooperation of the alumni, faculty, student body and their friends, that this degree of success was achieved.

MEMBERSHIP

Once again, your Membership Committee urges you to renew your membership, if you have not done so.

In reviewing membership by classes in the last 25 years, we found that the class of 1922 has had the smallest enrollments, average 4, and that the classes of '37 and December '43 have had the largest. The class of '37 had the greatest for the year 1953.

Incidentally, what is the matter with the late '40 group (47, 48, and '49).

For the new year—let's get that 1000 members. We are only a few short.

Class '22	4
Class '37	41
Class '43 (Dec.)	41
Class '49	16 (poorest of the junior memberships)

Now... New Authoritative Standards *

for
vitamin
maintenance
and therapy

The "standard maintenance vitamin capsule" and the "standard therapeutic vitamin capsule" recently recommended in the National Research Council's publication *Therapeutic Nutrition** bring new, authoritative dosage standards into the present complexity of multivitamin formulations and potencies.

In Panalins and Panalins-T, Mead Johnson & Company makes these authoritative formulations available to the medical profession.

Panalins is the "standard maintenance capsule," for use in general maintenance and in minor illnesses and injury.

Panalins-T is the "standard therapeutic capsule," for use in vitamin deficiency states and in serious illness and injury involving nutritional stress.
