FROM THE DEAN'S DESK

I welcome you back to the Spring, 1987 Semester. I hope you all had a restful and productive winter break.

Many members of the faculty spent part of their break in Los Angeles attending the Annual Meeting of the Association of American Law Schools. This meeting attracts a large number of the law teachers of America. There are programs in virtually every subject matter area. Touro is not yet eligible to be a member in the AALS. We will be able to apply once we obtain full ABA accreditation.

By now, members of the first-year class have received an invitation to attend a reception sponsored by the Nassau County Bar Association. The reception is intended as an opportunity for Touro students to meet members of the Nassau Bar and for the Nassau lawyers to learn more about the Law School. This is a good place to begin "networking"--a process so important to finding a job and developing a practice. I urge every first-year student to attend this reception.

I hope you have a successful semester.

IMPORTANT BAR EXAMINATION MEETING FOR THE CLASS OF '87

On January 12, 1987, Dean Glickstein wishes to meet with every member of the Class of 1987 who will be sitting for a bar examination in July, 1987. The meeting will take place at 4:00 p.m. for day students and 6:15 p.m. for evening students. The meetings will be held in the Moot Court Room (B-2) and attendance is mandatory.

At this meeting the Dean intends to discuss the examination and to provide you with details about a supplementary bar review course that will be offered at the Law Center during the Spring semester. You should be prepared to spend seven Sundays at the school between February 15th and April 5, 1987. The course will give you an opportunity to review the substantive law in several areas and to be examined in these subjects. Additionally, you will have your papers graded by professionals who will assist you in your preparations for the examination. **It is imperative that everyone attend this meeting on Monday, January 12th.**

RE: ELEVATOR

A new elevator has been installed in the new wing, adjacent to the cafeteria, Law Review Office and classroom B-4. The elevator should be used on a limited basis, preferably by those individuals who are disabled and unable to use the stairs. Also, please do not post anything on the walls of the cab of the elevator.

RE: POSTING NOTICES
