NEW YORK STATE BAR ASSOCIATION STUDENT LEGAL ETHICS AWARD

The New York State Bar Association's second Student Legal Ethics Award Competition is designed to encourage activities in connection with the Lawyer's role as a representative of clients, officer of the legal system and public citizen having special responsibility for the quality of justice. The Award, with a \$500 cash payment, will be presented during our May, 1987 Commencement Exercises. (See Dean Cohen for details).

ATTENTION STUDENTS

Brooklyn Law School has agreed to allow our students to have greater access to their library. NATHAN BURKAN MEMORIAL LEGAL WRITING COMPETITION

The Nathan Burkan Memorial Writing Competition, sponsored by the American Society of Composers, Authors, and Publishers, aims to increase the interest of students in the law of copyright and to improve legal writing. Papers must be submitted to Dean Cohen's office by June 1, 1987. See Dean Cohen for details.

WOMEN'S BAR ASSOCIATION RESCHEDULES LECTURE ON PORNOGRAPHY

The Women's Bar Association has rescheduled its discussion on Pornography for Tuesday, April 28th at 4:00 P.M. in the Moot Court Room. The guest speakers will be Ralph Hummel and Maura Maguire. Refreshments will be served. Everyone is welcome. Harvard Law Review article handouts will be available at this time also.

PROFESSOR PETER DAVIS SHOWS FILM—"SPECIAL SECTION"

As part of the "Criminal Clinic" Professor Davis will be screening the above movie on the dates and at the times already listed on page 1. The movie is free. The movie was made by Costa-Gavras, the maker of "Z", "State of Siege" and "Missing". With reel changes the movie runs slightly more than two hours.

"Special Section" is about the changes that occur in the legal system of France's Vichy government during World War II. More specifically, it is about the reactions of judges, prosecutors and public defenders when they are instructed by the government to enforce laws that violate fundamental principles of civilized jurisprudence. This description does not, alas, convey the extremely moving and disturbing nature of the film. It raises serious questions about the nature of all legal systems and the people who participate in them or are governed by them.
